

Guideline

File Naming Method

Characters:

CNPT_CH_EP09_[Name of character]_MSB_v01

Sets:

SET_EP09_[Name of set]_MSB_v01

Assets:

PROPS_EP09_[Name of asset]_MSB_v01

Key visuals:

CNPT_EP09_KEYVISUAL_MSB_v01

V01 = The version of your file.

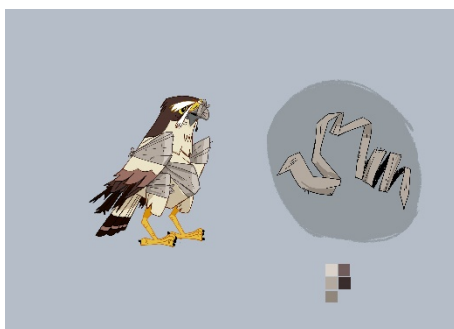

If your file is edited, please increase the version number. For example, if Version 1 is modified and the edits are applied, the next uploaded file should be Version 2

File Sharing

Note: Please share all of the files in Google Drive separately.

How to present

Provide the presentation in the same format as the examples given for each section (Characters, Assets, and Sets)

"Note: Please create a series of uncolored sketches for the characters and place them alongside the main design (similar to the provided examples of the rooster and the crow)"
